JURY TRIAL DEMAND

¹ The individual responsible for training programs (typically the government's final policymaker for such issues) is liable in his individual capacity for the plaintiff's injury. This liability can attach even if the individual was not involved in the deprivation. As explained in Belcher v. City of Foley, 30 F.3d 1390 (11th Cir. 1994), supervisory liability can attach when the "'failure to train amounts to deliberate indifference to the rights of persons with whom subordinates come into contact' and the failure has actually caused the injury of which the plaintiff complains." Id. at 1397, *quoting in part* Popham v. City of Talladega, 908 F.2d 1561, 1564-65 (11th Cir. 1990).

59. Plaintiffs hereby demand a trial by jury.

Respectfully submitted,
